## GRAND KNIGHT'S REPORT

### Brother Knights In Christ:

I would like to personally thank each and everyone who contributed to Smokin in the Square. Without your continued support this event would not be a success. It is your giving of self that makes the difference.

April is the month that many of us are celebrating the coming of spring but what we are really celebrating is nature. But the celebration of nature falls short when we experience the season of Easter on a personal level. Easter is celebrated during nature's season of spring. Easter is about new life. In our Christian faith, it's about new life all year round especially in Easter.

Spring is here and now is a good time to check on those who may need assistance. If you know of a brother who is in need please address it to the council so we can see if we can help. Also please keep those who can't attend out meetings in your prayers. Make calls to those you have not seen in a while and check on them. Please, find it in your heart to do what you can. We are stronger united!

This is a celebration of Christ's resurrection, Easter marks Christ's triumph over death. This is our new birth into a living hope. It's a time to reflect on salvation, redemption, and the future coming of Christ's kingdom.

Easter is the holiday that symbolizes the resurrection of Jesus Christ, and the week that precedes Easter, as one can conclude, is known as the day of joy and purification. It is full of miracles that bring rebirth of natural world as well as by human spirituality, faith and belief.

As followers of Jesus our purpose is to love God and serve God which means our chief purpose is to glorify God and enjoy him forever. There is a great joy in heaven whenever a sinner repents. As we looked forward to the joy that would result from each good work done by believers in obedience to God and motivated by love. It is by his love and grace that he brings us to faith and reconciliation. God has even planned our good works. The Lord rewards good works and there is joy in hearing him say, "Well done, my faithful servant." This is my ultimate reward as a Knight.

**Your Brother in Christ,  
Cesar Mascardo

## FIELD AGENT'S REPORT

### Raising Awareness About Life Insurance

Each September since 2003 has been designated as Life Insurance Awareness Month. Like most awareness-raising campaigns, Life Insurance Awareness Month was created because there is an overwhelming lack of understanding of life insurance, its uses, its benefits, and its variations among the general public. Each year, the Life Insurance Market Research Association (LIMRA) puts out the results from a recent survey, and unfortunately, the numbers they report continue to be discouraging.

A recent survey found that more than 75 percent of people polled did not have a personal financial advisor, even though 68 percent of them said their opinion of the current economic conditions was somewhat unfavorable or very unfavorable. In other words, a majority of those surveyed were uncomfortable with the economy and the uncertainty it brings, yet they did not seek professional assistance. Maybe they spoke with their friends and family. Maybe they hoped the instability would go away on its own. Maybe they did not know to whom to turn.

If you fall into this category, please remember that as a member of the Knights of Columbus, you have a full-time, professional agent you can call your own. My primary responsibility is the care and service of your family's life insurance, retirement and long-term care needs. I'll answer your questions because I want your decisions to be informed ones. I want to help.

Another LIMRA statistic said 43 percent of people did not buy life insurance because they worry about "making the wrong decision." Talk with me, your agent, and, afterwards, you'll understand that the only wrong decision was not purchasing sooner to protect your family's future.

May God Bless You All,

## DEACON'S TEACHING By Deacon Chris Christopher

### Why are Catholics Required to Attend Mass?

The powerful Babylonian empire conquered the people of ancient Judah, and nearly all of them were exiled from their land. The city of Jerusalem and the great temple within its gates were ruined. No longer able to worship there as their ancestors had done, the Jews were forced to live in a faraway pagan culture that knew nothing of their God.

Only many years later were the surviving exiles and their children allowed to return home at last. The books of Ezra and Nehemiah report what happened upon their arrival in Judah.

Not surprisingly, those who were serious about their faith made it their priority to rebuild the temple so they could worship there again. They wept and shouted with joy at its restoration. Having been deprived so long of the freedom to worship God as he had instructed them, they had learned to treasure their sacred assemblies in the house of the Lord (Ezr 3:1-13).

These ancient events illustrate why the Catholic Church requires attendance at Mass on Sundays and certain annual holy days. Worship is a primary duty owed to God by his creatures, which receive from him not only their very existence, but also every other good gift well. Worship is also a privilege, a precious opportunity to encounter the great King of the universe who loves his people beyond all telling.

The ancient Jews who recognized this awesome duty and privilege made every effort to go to the temple and offer their sacrifices of grain and animals. How much more, then, should Catholics be eager to attend Mass, where the glorious sacrifice of the Lamb of God himself is re-presented on the altar (Heb 9:13-14).

In the time of Moses, God had commanded his people "to keep holy the [weekly] Sabbath day" by setting it apart for worship and rest (Ex 20:8-11). The Church now applies what we might call that "Sabbath principle" to Sundays and holy days of obligation, when Mass attendance is an obligation.

Just as under the Old Covenant God required proper observance of the Sabbath, under the New Covenant the Church requires proper observance of Sunday, "the Lord's day" (Rv 1:10), the day of Resurrection. In fact, among the formal "precepts" (rules) of the Church, this one is the very first.

We must keep in mind that the Church has an obligation to guide its flock. With the authority extended to it by Jesus, it has set minimums (not maximums) for the faithful in maintaining their faith. Attending Mass regularly is one of those disciplines designed to aid us in keeping our faith alive.

Next month we'll look at: **Can Catholics Be Buried in Non-Catholic Cemeteries?**

## Blackwater Pyrates Annual Blessing of the Fleet Saturday 20 May

The Blackwater Pyrates in conjunction with The Knights of Columbus of Milton, are sponsoring a **Blessing of the Fleet** that will take place at the Memorial Park Boardwalk in downtown Milton on Saturday 20 May at 1:00 pm.

Vessels for the **Blessing** - all watercraft whether a motor, man or wind powered - should circle in front of the Milton Memorial Park boardwalk until the Blackwater Pyrate lead boat begins the slow, single file pass-by for individual blessings. Bagpipers and 4<sup>th</sup> Degree Knights of Columbus in regalia will accompany Msgr. Michael Reed on the boardwalk for the **Blessing**.

## Blackwater Pyrates Annual Free Vessel Examination Day Saturday 20 May.

Whether your vessel is motor, wind or man powered, the Blackwater Pyrates - in conjunction with the US Coast Guard Auxiliary – is sponsoring a free water vessel examination day on Saturday 20 May from 9 am to 12 pm at *Carpenter's Park* and *Russell Harbor* boat landings in Milton.

Vessels passing the inspection will receive a sticker for the vessel acknowledging the pass. As this is **not** a law enforcement inspection, vessels not passing will be given a checklist of deficiencies, but **not** a citation. Within reason, deficiencies will be corrected free of charge by the Auxiliary and Blackwater Pyrates on the spot.

### We are Knights, We are Pro-life

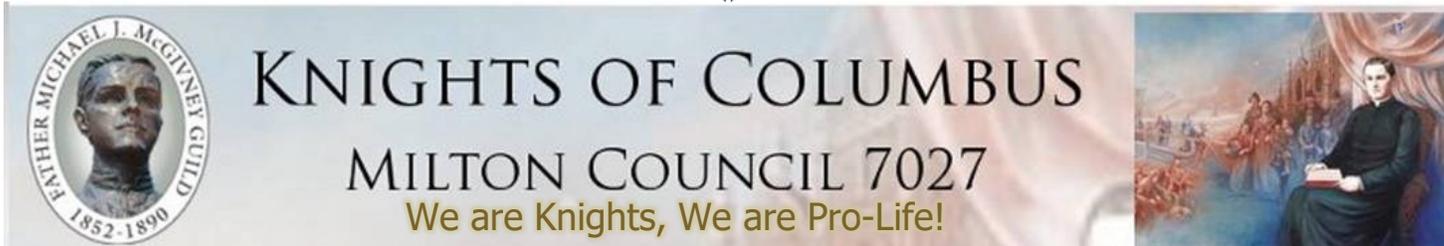

**WOW!!** What a month!! Starting with our council's day to pray at the at the abortion mill on March 3 at the start of this campaign of The 40 Days of Life. Thank-you for all who participated, now, in the past, and in the future. You make a difference to mothers and their babies. Our next day will be Friday April 7, 6am - 6pm.

In a few short months our council was able to raise 1/2 the cost of an ultra-sound machine and Supreme the other, to have it installed at the Milton PRC in March. On March 24 the Milton PRC had a ribbon cutting and Blessing of the new machine by Monsignor Reed. In attendance was DD John Recke, GK Cesar Mascardo, FN Ron Winn, and Pro-Life Director Dan Arndt. Rep. Matt Gaetz was not able to attend so he was represented by his District Aide Sara Lefever along with 30+ in attendance celebrated the occasion.

Lastly, in recognition of "The Knights of Columbus Day of the Unborn Child", a Pro-life Rosary was held on March 25 at the Memorial Tomb of the Aborted Child directed by Fr. Hank Lech. 30+ parishioners along with Assemblies Color Guard were in attendance. At the tomb we have 40 crosses for the 40 Days for Life campaign along with 139 flags representing how many babies are aborted each hour.

On April 6 the Milton PRC will have their annual fund raising banquet. It will be held at Immanuel Baptist Church Pace FL. The meal is free and the speaker is Dr. George Grant. There is still time if you would like to attend. You can call Dan Arndt at 850-207-8779.

## 4th Degree St. Teresa of Calcutta Assembly 2823

### Worthy Sir Knights,

March was an active month, with the **Smokin In The Square** event taking place in Seville Square in Pensacola. Those of us involved as SK's were equally important to the events' success as anyone else from the Council. I witnessed a lot of tireless work and marveled at the cooperation and teamwork exhibited by everyone involved. The event is a huge undertaking. My deep thanks and appreciation for all your hard work!

As we unwind from the **Smokin In The Square**, the Council and Assembly must again pull together and take on another event in our own "backyard". **Milton In May** will take place on May 19-20 along the Riverwalk in Milton. This is a city event, but we have been asked to manage the planned BBQ Cook-off (backyard only), arrange for food vendors and set up beer sales. The Ladies Auxiliary of St. Rose will do coffee and pastries early on Saturday morning (the 20th) for the planned car show.

So, worthy Knights, take a deep breath, rest up a bit, and then join in again to work this event. It will be greatly scaled back from **Smokin** and our participation is limited. Our goal is to assist the city in making this a successful event for our local community. We may actually enjoy this!

**NOTICE:** There is an appreciation cook-out event taking place on April 28th, 5pm for all the volunteers that worked on **Smokin In The Square**. Ivan, myself, and a few others will be doing the cooking (scary huh?), so plan on enjoying yourself - no work for you folks! We will be on the Pavilion next to the Knights Building. More details in coming days.

**REMINDER:** The next assembly meeting will be on Thursday, April 20th, 7pm. All Sir Knights please attend.

**Vivat Jesu,**

### The Feast of Mercy, Divine Mercy Sunday

**“And who knows anything about this feast?  
No one!”**

That's what our Lord said to St. Faustina about Divine Mercy Sunday, which this year is April 23<sup>rd</sup>. In St. Faustina's *Diary, Divine Mercy in My Soul*, this conversation between St. Faustina and Jesus Christ is recorded (with St. Faustina's words in regular type, and Our Lord's words in boldface):

I am very surprised that You bid me to talk about this Feast of Mercy, for they tell me that there is already such a feast and so why should I talk about it? And Jesus said to me, **And who knows anything about this feast? No one! Even those who should be proclaiming My mercy and teaching people about it often do not know about it themselves. That is why I want the image to be solemnly blessed on the first Sunday after Easter, and I want it to be venerated publicly so that every soul may know about it** (*Diary*, 341).

According to the *Diary* of St. Maria Faustina Kowalska, Jesus Christ made a special promise, which she was to communicate to the whole world:

**My daughter, tell the whole world about My inconceivable mercy. I desire that the Feast of Mercy be a refuge and shelter for all souls, and especially for poor sinners. I pour out a whole ocean of graces upon those souls who approach the fount of My mercy** (*Diary*, 699).

In three places in her *Diary*, St. Faustina records a promise from our Lord of specific, extraordinary graces He will make available through the devout reception of Holy Communion on this Feast Day; truly a "whole ocean of graces" is contained in these promises:

**I want to grant a complete pardon to the souls that will go to Confession and receive Holy Communion on the Feast of My mercy** (1109).

**Whoever approaches the Fount of Life on this day will be granted complete forgiveness of sins and punishment** (300).

**The soul that will go to Confession and receive Holy Communion will obtain complete forgiveness of sins and punishment** (699).
