## GRAND KNIGHT'S REPORT

### Brother Knights In Christ:

September has come upon us and Labor Day is celebrated on the first Monday. This means we are getting closer and closer to a very busy time of the year, and of course it means we'll be needing and looking for lots of help. We have several upcoming events, KOC Breakfast, Tootsie Roll Drive, and Council Membership Drive. And we are three months into the new fraternal year. Labor Day celebrates American workers and how hard work has helped this country to do well and prosper. It is a national federal holiday and many people get the day off of work and, since it always falls on a Monday, this gives many people a three day weekend. It is often the last day that kids have off in the summer. For many people, it's the last day that the local outdoor pool is open and the last chance to go for a swim. And a lot people host or go to a party or picnic on or around the Labor Day weekend. This weekend also is around the start of football season. Both college football and NFL football begin their season around Labor Day.

We have completed the Semi Annual Audit and I am happy to report that all is well with our stability to maintain and support our Charities.

On August 21, 2018, a first degree exemplification was held at St. Ann's in Gulf Breeze in which a new candidate Paul Hicks became first degree brother of our council.

Fall Festival is also approaching us on September 28-30th. We will be working in the raffle booth this year and we will be doing the 50/50 raffle tickets. Just remember the motto "FREEDOM TO SERVE". We are brother Knights and together we can get things done and make a difference within our council and our parish.

Just a reminder of our on-going Jump Start recruiting program. Bring in a new member or members and get rewarded with great Knights merchandise. We are all recruiters and the best form of advertisement.

The principles of Knights of Columbus is principled by the way of life for men to live their faith in a way of life that goes to the core of what it means to be a Catholic in charity, unity and brotherhood. Let's go forward this year and do a little more.

Tell those that need love, "I love you." Tell those that need forgiveness, "I forgive you." Ask those who need help, "How can I help or what do you need?" I was reminded today that life is short and the devil is always looking to devour us. So my brothers, I ask all of you "How may I be of service to you? Do you need anything that I can help you with; if so, please don't hesitate to ask? I will pray for all of you and for me that we may know LOVE, that we may know FORGIVENESS, that we may know true CHARITY, true UNITY, and true FRATERNITY and not be afraid to share our blessings."

I hope you all have a blessed and safe Labor Day weekend! Let us each remember to take a moment to reflect on the social and economic achievements of American workers and of the great costs of their contributions.

## FIELD AGENT'S REPORT

**Make your retirement contributions a priority, and set your retirement savings on auto-pilot! An easy way to do this is to set up automatic, monthly contributions. Contributions should be at least 2% of your income. Try to increase your contributions every 6 months by 1% with a goal of reaching 10% of your income over time. If you already have a similar plan in motion, then this might be the right time to consider an additional increase to your total yearly contributions. Schedule time with you local Knights of Columbus insurance agent to help plan for your future.**

## DEACON'S TEACHING By Deacon Chris Christopher Does the Church Teach Salvation by Works?

*“The Lord is just and loves just deeds; the upright shall see his face,”* the

psalmist says (Ps 11:7). These words summarize the Catholic view, which is also the biblical view of

salvation, because God is just and loves justice. If we hope to *“see his face”* – that is, to live with him in friendship forever – then we must become as *“upright,”* as he is. The First Letter of Peter puts it this way: *“Be holy yourselves in every aspect of your conduct, for it is written, ‘Be holy because I [am] holy’”* (1:15-16).

How do we become holy? Catholics agree with other Christians that we cannot save ourselves, and we cannot earn heaven on our own. Rather, we are saved by grace, God’s merciful aid given to enable us to become holy, as he is holy. It’s an absolutely unmerited, free gift of God made possible through our Redeemer, Jesus Christ, and his atoning death on the cross for us.

Certainly, our faith in Christ’s power to transform us is essential to our salvation by

God’s grace. But a mere intellectual assent to the truths of the gospel is not enough. Scripture insists that faith only, if it does not have good works, is dead (James 2:14-26).

When we are justified, literally *“made just”* by God, He doesn’t just declare us righteous as a kind of legal declaration so that we can escape eternal punishment. Divine justification actually forgives sin and provides a means for us to cooperate with God’s will in atoning for those sins, and thus become worthy to be united with him forever. This cooperation with God’s will occurs in this world, the next world, or both (St. Augustine).

In this way good works, and the transformation of character they contribute to and reflect, are indeed necessary for salvation. God rewards the good works we do, works that he himself has made possible (Matthew 16:27; 25:31-46). And to those who are steadfast in his ways, He promises, He will show the salvation of God (Psalm 50:23).

Next month we’ll look at: **What Does the Church Teach About Angels?**

**Culture of Life** by Dan Arndt — prolifeman53@gmail.com

## We are Knights, We are Pro-life

This is a very important time for us in Milton Florida. Our Pregnancy Resource Center, that we supplied an ultrasound machine to, continues their work in helping women children and families. They have been needing a larger building and better location. They have acquired a new building on Berryhill Road for that purpose. Monsignor Reed would like to donate \$20,000 to help them out — 10,000 from the church and 10,000 from our council. Pregnancy resource centers are vital to our society as they provide crucial support for women who are pregnant or have children. They supply food, clothes, counseling and other supports. We have to believe that one day soon abortion will be non-existent and when that happens these centers will be needed even more. If we ask women to keep their children, we better have programs in place to help them with their gift. I would like to have all the councils in Region 1 to help support the center. Our council needs to have a fundraiser. It could be anything like a burrito breakfast, a spaghetti dinner or anything they can to raise money and educate. Education is a big part of the Pro-Life mission. How

successful an event can be is depends on your help. So call or email: Dan Arndt 850-207-8779 / prolifeman53@gmail.com . Also in September starts the fall campaign of "40 Days for Life." Even though the Pensacola abortion center is unlicensed since April, we still need to pray for all abortion to stop. Prayer is powerful and yours are needed any time at the abortion mill starting September 26 through November 4. Our council day will be Friday September 28 and Friday, November 2. The Emerald Coast Coalition will be having a booth at our fall festival. So if you can help please sign up for a time at the booth. The coalition is also sponsoring a screening of the Gosnell movie on September 10 at 7 PM at the Bayou movie theater in Pensacola. Contact them for tickets.

October is **Respect Life** month and Respect Life Sunday is October 7. We would like to have a service at Saint Rose. Anything you can do to make it a success please do.

## Fourth Degree St. Teresa of Calcutta Assembly 2823

### Greetings and Blessing's Sir Knights

Thank you for attending out last Meeting. We conducted some business and elected Sir Knight Ron Winn as Sir Knight of the Month.

We also opened ouR meeting with a Knights Prayer, an ancient one, very popular from the 13th to 16th century found in countless *Books of Hours*, Directed to Our Lord.

I plan on using it as a prayer during our meetings for the time being.

In case you are not at the meeting here it is:

### Knights' Prayer

"Grant me the gift of Divine Grace to protect and conquer my Five Senses, that I may carry out the Seven Works of Mercy, believe in the Twelve Articles of our Faith, practice the Ten Commandments of the Law and, finally, be delivered from the seven capital sins to the last day of my life."

Over the next several months I will, as best I can, try to dig a bit deeper into the prayer itself; helping to understand and

explore the meaning and richness inviting us, myself included, to grow in Grace, Wisdom and Temperance.

Until our next appointed meeting, 19 September, please pray for me as I pray for you.

Sir Knight Deacon Jeff Massey  
Faithful Navigator, Assembly 2823

SK Ronald Winn, August Sir Knight of the Month.

## Faith in Action

-George Elliott, Deputy Grand Knight/Program Director

In July of this year, the Knights of Columbus launched a new service program called **Faith in Action**. It replaces the previous service program called Surge...with Service. Faith in Action is intended to build on Pope Francis' call "to a renewed personal encounter with Jesus Christ" (in *Evangelii Gaudium*).

In recognition of the current needs of modern men, Faith in Action seeks to clearly align our key priorities of Faith, Family, Community, and Life, with those of Catholic men everywhere. Faith in Action is designed to make it easier to focus on effective, faith-filled activities.

One noticeable change is that the number of directors in a council is reduced from six (Church, Council, Community, Youth, Family, Pro-Life) to four (Faith, Family, Community, Life). Along with that, the number of required programs to achieve the Columbian Award has also been reduced. And Faith in Action is fully integrated with Supreme Council's Building the Domestic Church program. As Supreme Knight Carl Anderson put it, "This mission-driven platform is an excellent way to express our service program, as it speaks to our own efforts, and to the interests of prospective Knights" (*Faith in Action guidebook*).

In our council, Bruce Donatelli is the Faith Director, Joe Burgos is the Family Director, Jim Gentry is the Community Director, and Dan Arndt is the Life Director. Most of our council's activities will line up with one of those categories under the purview of that director.

For Faith in Action to succeed in our council, members are needed to help so that our fewer number of committees are not one-man committees. But we want "men to lead their family in service – not leave their family for service. The focus of this streamlined program is quality not quantity" (*Faith in Action guidebook*). As the premiere Catholic family organization, we must integrate our families in our activities whenever possible.
